Organise a do

Apex Hotels across the UK are renowned globally for their conferencing and event facilities – and our property in Dundee is no different.

The meeting and event space can accommodate up to 375 guests for a range of events – from corporate gatherings and workshop sessions, to weddings and anniversary celebrations – and there's a fantastic range of options, whatever the occasion.

The hotel's location – a 10 minute walk from Dundee rail station, within walking distance of the bus station, and a short drive from Dundee Airport on the A85 – makes it perfectly placed for a conference or event.

Enjoy moreish morsels

The hotel's Metro Bar and Brasserie sits in an inspiring, open space within the property. Head Chef Graham Paulley – formerly of Gleneagles and the Old Course at St Andrews – concocts dishes that pay homage to Scotland's rich culinary tradition while drawing inspiration from around the world.

Make time for Yu

Dundee is famous for its eponymous cake – and to celebrate that, Apex City Quay Hotel Spa offers a delicious and luxurious afternoon tea to give a flavour of the city.

But before guests tuck into the sweet treats and savoury morsels, they need to be nice and relaxed. That's where the award-winning Yu Spa glides in.

Inspired by the healing power of Japanese treatments, and belief in the healing power of hot water, the spa offers more than 50 relaxing, detoxifying and rejuvenating Elemis treatments. Once guests have enjoyed their choice of treatment, they can enjoy the spa's Ozone swimming pool, Japanese-style hot tub, sauna and herbal-infused steam room. Those looking to get moving can do so in the hotel's Technogym™ studio.

It's no wonder Professional Beauty named Yu Spa as its Scottish Spa of the Year in 2016 – as well as placing it in the running to pick up the title again this year.
